1. GENERAL

1.1. Introduction

The Jordan Phosphate Mine Company (JPMC), requests submission of pre-qualification documents from qualified companies and consortia of investors and developers for the development and execution of Hybrid Solar Off-Grid Power Generation Plants at the Company Mines on Build, Operate, and Transfer (BOT) Basis, the "Project"

The BOT duration is 20 years.

The purpose of the pre-qualification process is to pre-qualify companies and consortia with proven records of expertise required for developing and executing the Project and, consequently, the criteria for the pre-qualification, as set forth in the call for pre-qualification document, relates mainly to such companies' and consortia's capabilities and experience.

The Project will be implemented in one phase. The business model shall be Build - Operate-Transfer "BOT". The Developer will be required to provide i) Al-Shiedieh Mine, ii) Al-Hasa Mine and iii) Al-Abiad mine for year 2025 onwards with power to meet its current and future needs. The Project vision has been developed with the objective of delivering power from a Hybrid Solar OFF-GRID Power Generation Plants to JPMC Mines. This shall be achieved following:

1. Design, construct, operate, and transfer of a Hybrid Solar OFF-GRID Power Generation Plants as per the following:
 - a. At Shiedya Mine: 23- 25 GWH/Year in Ma'an Governorate.
 - b. At Alhasa Mine: 13-14 GWH/Year in Tafilah Governorate.
 - c. At Alabiad Mine: 6-7 GWH/Year Tafilah Governorate.
2. Design, construct and operate the interconnection facilities from the Power Generation Plants to JPMC Mines at above mentioned mines.

The Project is to be undertaken by a private sector company or consortium which will be granted necessary rights in relation to the Project. It is anticipated that the winning bidder will establish a special purpose company under Jordanian law for the implementation of the Project (the 'Project Company'), which shall undertake the implementation of the Project infrastructure, the management and execution of the infrastructure operations and maintenance and the planning, procurement, receipt, control and repayment of the Project financing. Furthermore, the Project Company will be responsible for arranging and securing all finance required for the project without any recourse to JPMC.

The Applicant Company shall be either a single company or number of companies (Consortium); only those firms or entities that can demonstrate world class experience in providing power generation and storage technologies, construction of hybrid power generation plants, and project financing should respond to this announcement.

"Applicant" means an entity to which an Invitation to Submit a Prequalification is issued.

"Employer" means Jordan Phosphate Mines Company "JPMC"

"Invitation to Submit a Prequalification" means the letter described as such from the Employer to the Applicant inviting it to submit documentation to support an application to prequalify for the proposed works.

"Instructions To Applicants" means this document including the annexes and Appendices.

"Application to Prequalify" means the documents submitted to the Employer by the Applicant.

This document has been specifically provided to describe the procedures to be followed until the Employer either informs any Applicant that they have pre-qualified or determines that an Applicant has failed to prequalify.

1.2. Cost of Submitting an Application to Prequalify

Each Applicant shall bear all costs incurred in the preparation and submission of the Application to Prequalify, including all actions mentioned or implied in this document. The Employer will not be responsible or liable for such costs, regardless of the conduct or outcome of the Application to Prequalify. **The Employer reserves the right to accept or reject any Application to Prequalify, or to annul the process and reject all Applications to Prequalify at any stage, without incurring liability to any Applicant and without being obliged to inform any Applicant of the reasons for the Employer's action.**

1.3. Submission Date for an Application to Prequalify

The submission date for the Application to Prequalify is as stated in the Invitation to Tender.

1.4. Domestic Product and Services

The Employer encourages the Applicant to utilize and procure to the maximum extent practicable (having particular regard to cost, specification, drawings, financial security, technical capability and ability to comply with the work Schedule) the equipment and materials produced in the Hashemite Kingdom of Jordan (HKJ).

The Applicant shall comply with all local laws, regulations, by-laws, instructions, and standards issued by Government of Jordan (GOJ), Associations, and Regulatory Bodies related to the utilization of local firms, contractors, and individuals.

2. PREQUALIFICATION DOCUMENTS

The documents comprising the Instructions to Applicants are:

Including the Invitation.

3. COMMUNICATION

An Applicant requiring any clarification of the Instructions for Prequalification of Tenderers shall contact the Employer in writing or **via email at the Employer's address indicated in the Invitation to Submit a Prequalification**. The Employer will respond in writing or via email to any request for clarification provided that such request is received no later than fourteen (14) days prior to the deadline for submission of the Application to Prequalify.

The Employer shall forward copies of its response to all Applicants who have acquired the Instructions for Prequalification of Tenderers directly from the Employer including a description of the inquiry but without identifying its source. Should the Employer deem it necessary to amend the Prequalification Documents as a result of a clarification, it shall do so following the procedure below:

Any Addendum issued shall be part of the Prequalification Documents and shall be communicated in writing to all prospective Applicants who have obtained the Prequalification Documents from the Employer.

To give prospective Applicants reasonable time to take an Addendum into account in preparing their Applications, the Employer may, at its discretion, extend the deadline for the submission of Applications in accordance with ITA

To assist in the evaluation of applications, the Employer may, at its discretion, ask any Applicant for a clarification of its Application to Prequalify which shall be submitted within a stated reasonable period of time. Any request for clarification and all clarifications shall be in writing. If an Applicant does not provide clarifications of the information requested by the date and time set in the Employer's request for clarification, its application may be rejected.

4. CONFIDENTIALITY

All information supplied by the Employer in connection with the Invitation to Submit a Prequalification shall be treated as private and confidential and Applicants shall not, without the prior consent of the Employer, make use of such information for their own purpose or disclose such information to any person other than on a strictly confidential basis to those parties whom they need to consult for the purpose of preparing the Application to Prequalify.

Information relating to the Applications, their evaluation and result shall not be disclosed to Applicants or any other persons not officially concerned with the prequalification process until the notification of prequalification results is made to all Applicants in accordance with this PQ document.
